The Brickworks

Warehouses (20)
From R100 per m²
Size from 10,000m² to
100,000m²

Warehousing & Logistics development Durban North

The Brickworks is a new, state of the art, warehousing and logistics development situated in the rapidly expanding northern corridor in the Greater Ethekwini Metropolitan. It borders Riverhorse Valley and the N2 highway at the KwaMashu Interchange and is a stones throw away from Umhlanga.

The 157ha precinct will one day be home to large distribution centres between 10,000 square metres and 100,000 square metres with ground being broken early 2021.

Zoning - Light Industrial and Logistics
Site Area - 157ha
Net Platform area - 90ha
